## Pre-Requisites and Course Schedule:

On Friday morning, a gun-safety skills and abilities demonstration will be required of each instructor-candidate followed by a session at the pistol range, where each Instructor Candidate will be required to demonstrate ability in several pre-qualification shooting exercises. A description of the pre-qualification exercises will be emailed to all course registrants. Following successful completion of the range and field exercises, we will adjourn to the classroom setting to conduct the *NRA Basic Instructor* course. This course is a pre-requisite for all other NRA Instructor-level courses. NRA mandated regulations now state that this course must be taken if this is your first NRA certified instructor rating, **or if more than 24 months have passed since you last completed the Basic Instructor course.** The NRA Certified Pistol Instructor and NRA Certified Range Safety Officer classes will follow on Saturday and Sunday, 9 & 10 March 2013. Successful completion of these courses will result in your obtaining certification as an NRA Pistol Shooting Instructor and NRA Certified Range Safety Officer (RSO). As an NRA Certified Pistol Instructor, you will be able to conduct and supervise pistol shooting outings for BSA Venturing Crews or individual members *in conjunction with an on-site NRA Certified Range Safety Officer.* You may also act as an NRA Certified RSO for any *Basic Shooting Activity.*

**Cost:** Course cost is \$300. This fee includes all course materials, meals, firearms usage, ammunition, and accommodations at Camp Comer, but excludes NRA processing and certification fees which must be paid by cash or check upon course completion. We will be staying in climate controlled Staff cabins with bunk beds and mattresses. Bathrooms and showers are co-located with the Staff cabins. You must bring a sleeping bag / blankets, pillow and toiletries.

If you have previously completed the NRA Basic Instructor course within the last 24 months, you will not be required to take it again. However, you will still be required to demonstrate the necessary gun safety skills and abilities and complete the pre-qualification shooting exercises before you can be certified. You can do this at the regular time on Friday morning or arrange to do it at another time during the weekend. The cost for the course without the Basic Instructor portion is \$250.

A **non-refundable** deposit of \$100 is due **no later than** Friday, 8 February 2013, in order to reserve your seat in class. The deposit is used to order the requisite NRA training materials and food. The balance of \$200 is due at the beginning of class on Friday the 8<sup>th</sup>. Payment may be made by either personal check or money order. Please make checks/funds payable to Ed Poniatowski. Send deposits to Ed Poniatowski, 821 Mira Vista Drive SE, Huntsville, AL 35802.
